St. Francis
Wheaton Academy
Wheaton North
Wheaton Warrenville South

2008 Honoree – Steve Clum

WELCOME!

Thank you for attending and supporting the second annual Wheaton Shootout. The Athletic Departments of the four participating schools hope to create an event each year that showcases basketball, sportsmanship and appropriate competition in the area. We further hope fans from the four schools and their communities mark this date on their calendar each year to enjoy our young people at their best!

In addition, the shootout will be named for an individual each season. Our intent is to honor someone from the Wheaton Academy, Wheaton St. Francis, Wheaton North or Wheaton Warrenville South community who has supported high school athletics. This honoree will have demonstrated a commitment to the student-athletes of these great communities. The tournament, each year, will serve as a tribute to this person.

The 2007-2008 Wheaton Shootout is honoring Steve Clum for his contributions to the Wheaton community and the impact he has had on numerous basketball players who have played at our high schools. Steve is Head of School at Wheaton Christian Grammar School and has coached the 8th grade boys' basketball team for 32 years. During that time, he has had a tremendously positive influence in the lives of many of the young men in our community and has used his platform as a coach and educator to shape their character and install strong morals and values. His influence has also been seen on the court where he has done an excellent job of developing junior high players for the high school level. A number of this year's participants in the shootout played for Coach Clum including John Bagge (WN), Dane Olson (WWS), Ben Euler (WA), Tim Rusthoven (WA) and Mark Fernandes (WA)

Steve has lived in the Wheaton community since graduating from Wheaton College. He has been married to his wife, Julie, for 31 years and has two daughters, Jen and Katie. Steve played basketball at Wheaton College from 1970 to 1974. He is second on the all-time rebounding list with 1,508 career boards and his career average of 17.3 rebounds per game is the highest in school history. He also holds the single-game record for rebounds, with 32 boards against Carroll (Wisconsin) on 1/12/73. He is 13th on the all-time scoring list with 1,478 career points.
